2.5 After you sign in

2.1 Opening BPCOS

Go to bpcos.oas.lguapp.com, or click the **Building Permit & Certificate of Occupancy** card on the OAS home page. The sign in page opens. See Section 1 for the parts of the page.

2.2 Creating an account

An applicant needs an account before applying for a permit. The account is created from the sign in page and confirmed with a code sent to the email address.

Step 1. Click Create new account

On the sign in page, click **Create new account** below the **Log In** button.

Type the code in the **Verification Code** box and click **Verify Code**. If you already have an account, click **Have an account?** to go back to the sign in page.

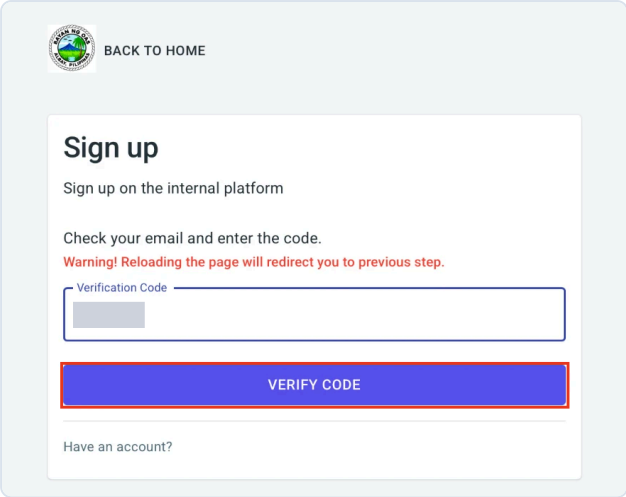

Figure 2.3. Enter the code and click Verify Code.

Step 4. Registration completed

The message **Registration completed!** appears at the bottom left of the sign in page. You can now sign in with your email address and password.
