OAS Content Management System

Admin User Manual for OAS

Hatid ng iConcept IT Solutions.

ADMIN USER MANUAL FOR OAS

Ang OAS-CMS

Ang OAS Content Management System o ang OAS-CMS, hatid ng iConcept IT Solutions, ay isang system na idinisenyo upang mapadali ang pag-aayos, pag-publish, at pamamahala ng digital content sa website ng OAS. Sa pamamagitan ng system na ito, hindi na kinakailangan ang malalim na kaalaman sa coding upang makapag-update ng content sa website.

  - 4.6 Users: Add User

Ano-ano ang Maaaring Gawin sa CMS?

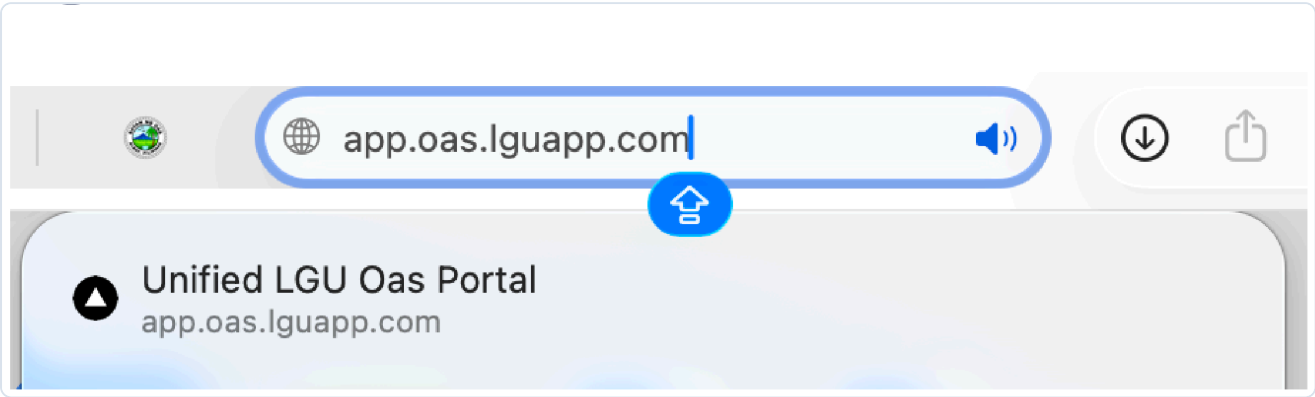
Pag-view, pag-add, pag-edit, at pag-delete ng content sa OAS website.

- **View Content** Silipin ang mga kasalukuyang mga post sa website.
- **Add Content** Magdagdag ng mga bagong artikulo o updates sa website.
- **Edit Content** Baguhin o i-update ang mga naka-post.
- **Delete Content** Magtanggal ng mga outdated o maling posts.

Gabay sa Paggamit ng OAS-CMS

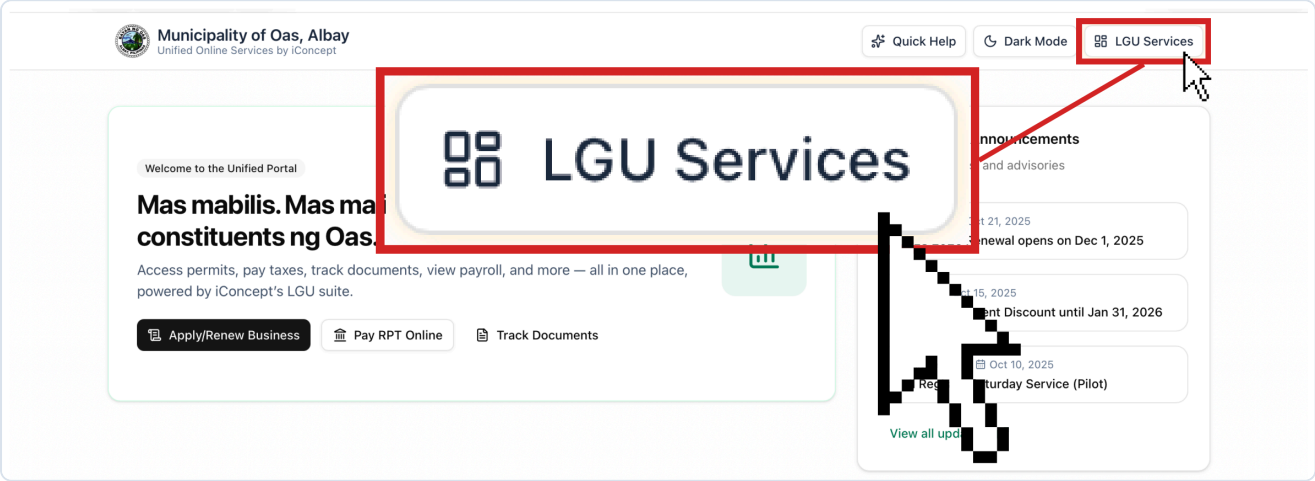
1 I-access ang OAS-CMS

1 Pumunta sa app.oas.lguapp.com



Larawan 1. I-access ang OAS-CMS

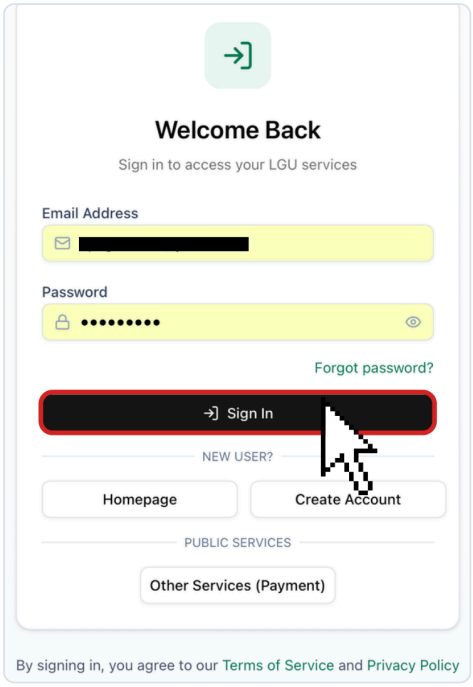
2 Pindutin ang **LGU Services Button** upang makita ang iba’t-ibang section ng website.



Larawan 2. I-access ang OAS-CMS

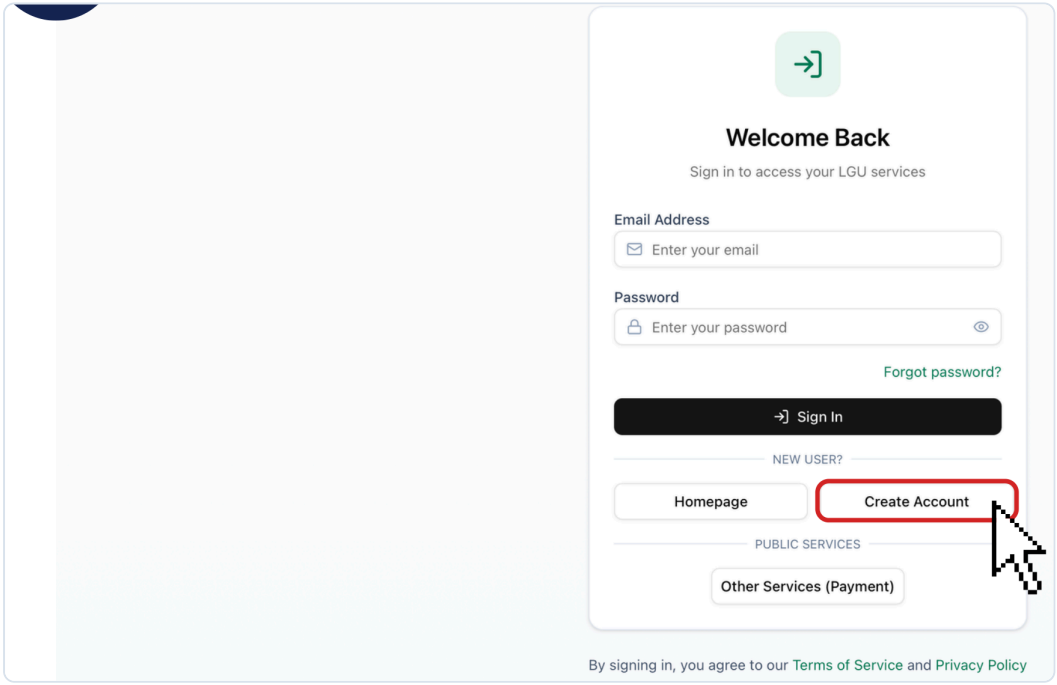
2 Mag-log in sa OAS-CMS

1 I-enter ang iyong email address at password. Pagkatapos, pindutin ang **Sign In**.



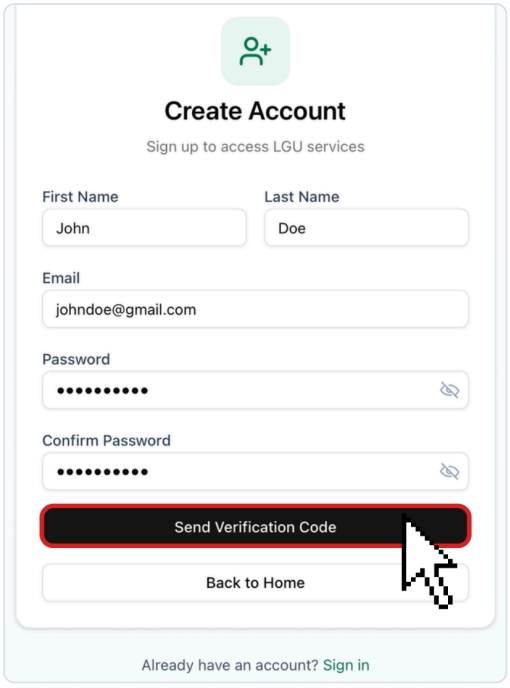
Larawan 3. Mag-log in sa OAS-CMS

2 Kung wala pang account, pindutin ang **Create Account.**



Larawan 4. Mag-log in sa OAS-CMS

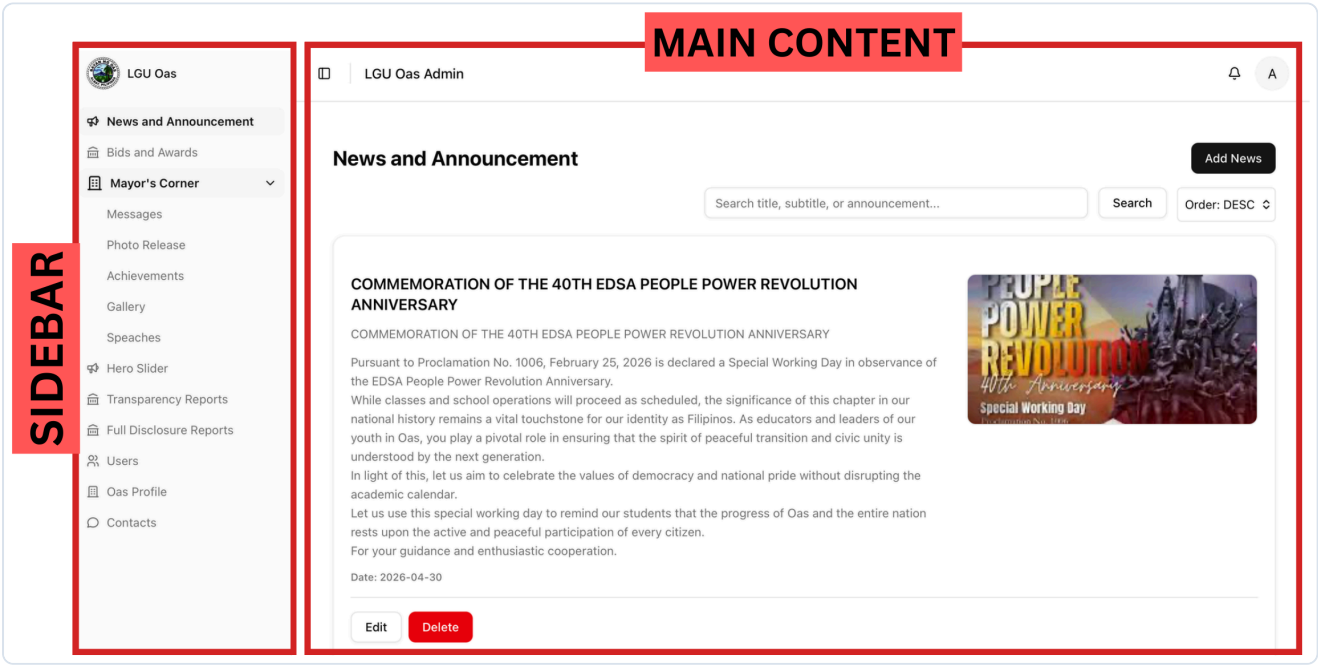
3 I-fill out ang mga detalyeng hinihingi at pindutin ang **Send Verification Code.** Pagkatapos, mag login gamit ang account.



Larawan 5. Mag-log in sa OAS-CMS

3 Interface ng OAS-CMS

Ang CMS ay mayroong dalawang bahagi, ang nasa kaliwa o ang **sidebar** at ang gitna o kanan ng sidebar ay ang **main content**.



Larawan 6. Interface ng OAS-CMS

3.1 Interface - Sidebar

Makikita sa **SIDEBAR** ang iba't-ibang section na napapakita sa OAS website tulad ng **News and Announcements, Bids and Awards, Mayor's Corner, Hero Slider, Transparency Reports, at ang OAS Profile.**

Makikita rin dito ang mga **Users** at **Contacts (Messages)** na nakaka-access sa CMS.

Larawan 7. Interface - Sidebar

Ang mga sumusunod na mga paglalarawan ay nagpapakita ng **koneksyon ng CMS sidebar sections sa kaakibat ng OAS Website page** o main content.

Halimbawa, ang News and Announcements sa CMS Sidebar ay connected (o ang category mismo) sa News.

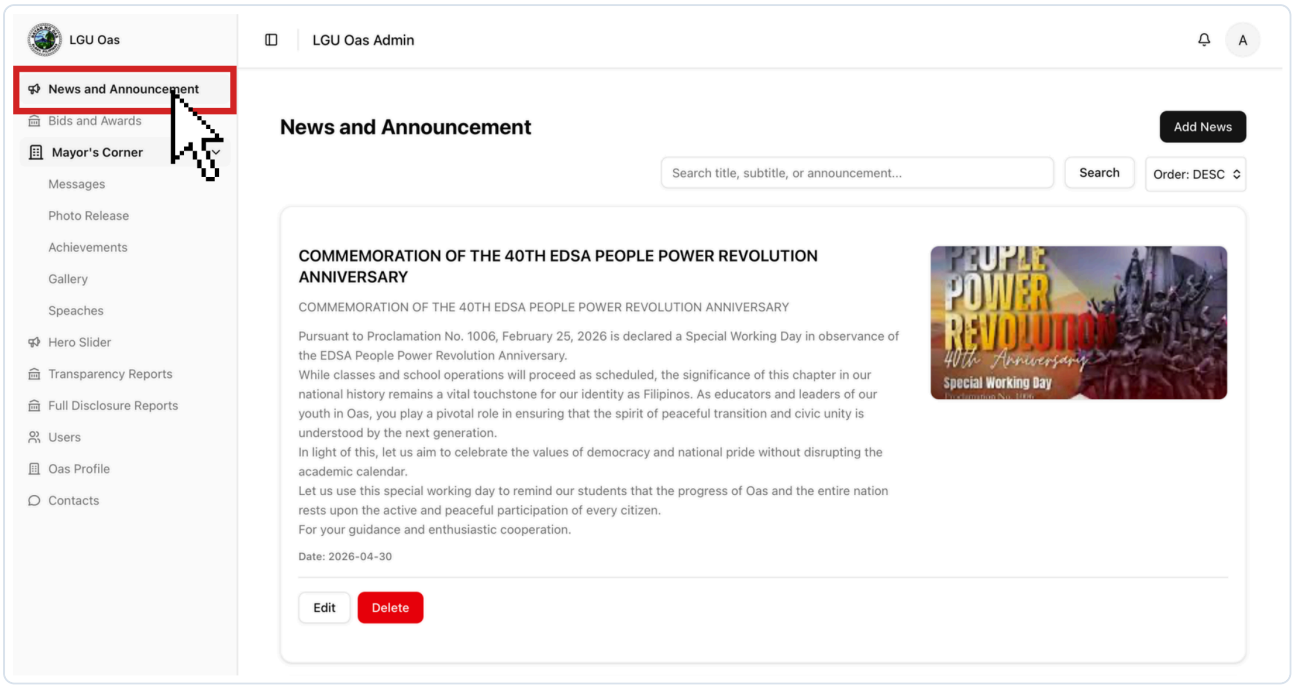
Larawan 17. Interface - Sidebar

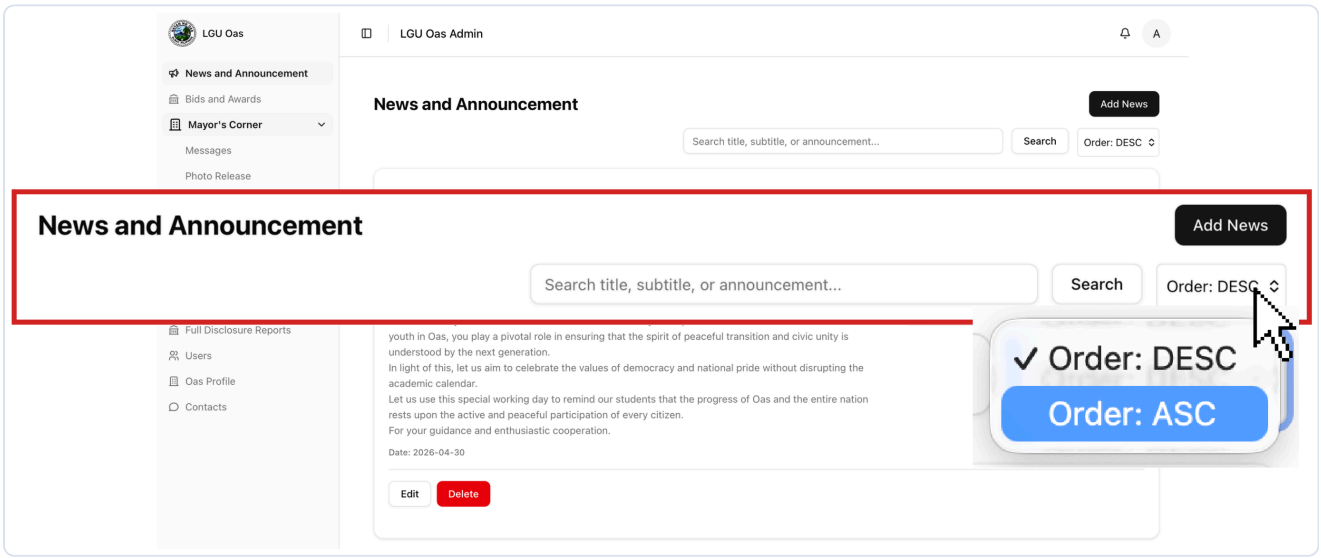
4 Paano Gamitin ang CMS?

Pumili sa sidebar ng section na nais ayusin ang content. Halimbawa, ang News and Announcements section.



Larawan 18. Paano Gamitin ang CMS?

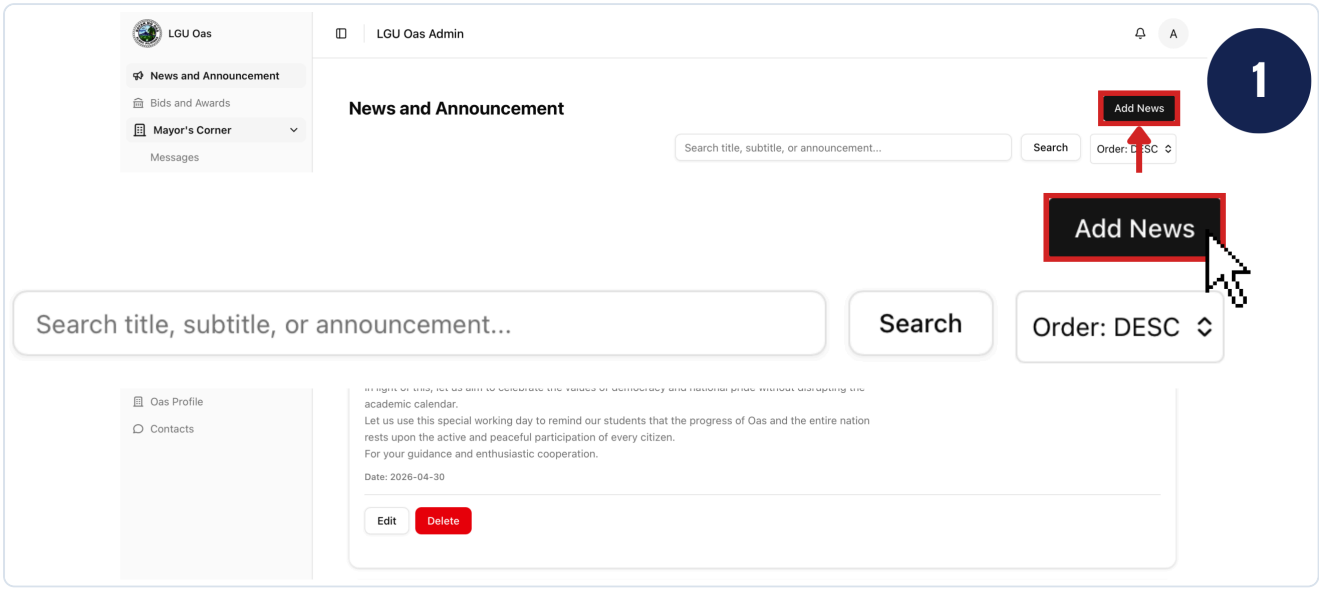
Pagkapindot, makikita ang mga post na nilalaman ng section na napili. Maaari rin mag-search ng posts o mag-sort ng posts ayon sa petsa ng pag-post nito.



Larawan 19. Paano Gamitin ang CMS?

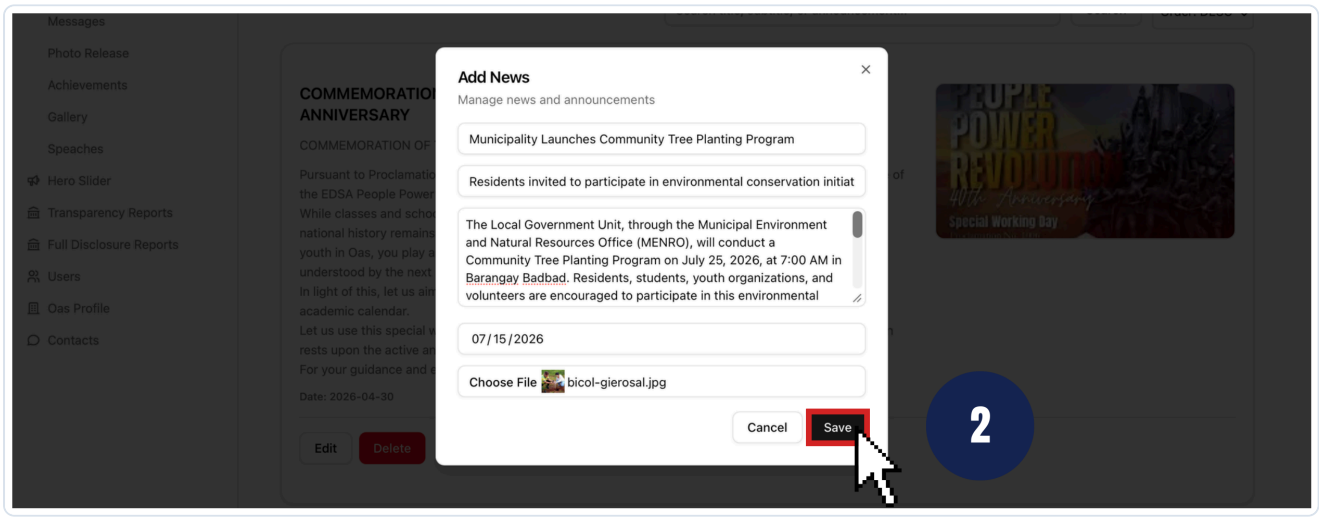
4.1 Pag-add ng Content

Pindutin ang Add News button, na makikita sa bandang kanan.



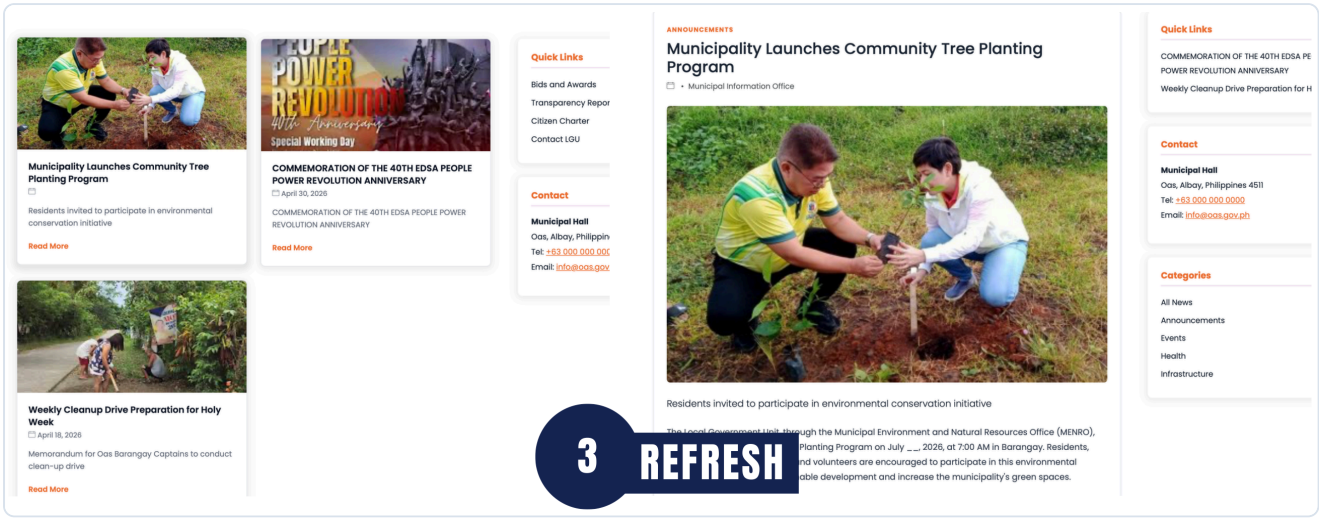
Larawan 20. Pag-add ng Content

Ilagay ang title, subtitle, content, date, at files na kailangang ipakita sa post na nais gawin. Pagkatapos, pindutin ang Save button.



Larawan 21. Pag-add ng Content

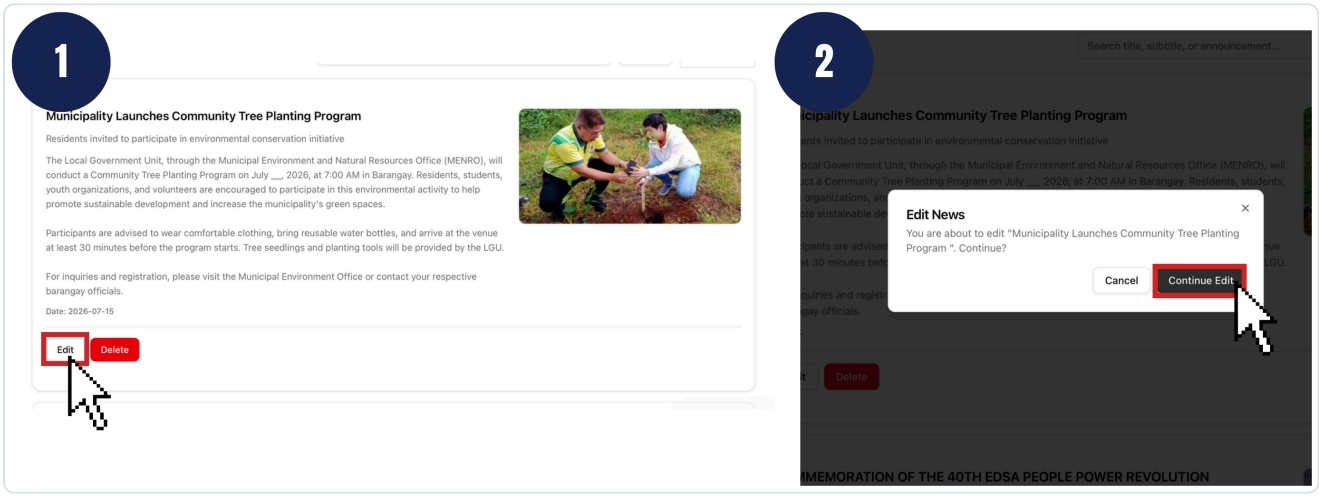
I-refresh ang website upang makita ang idinagdag na content. Makikitang nai-post ang inadd na news.



Larawan 22. Pag-add ng Content

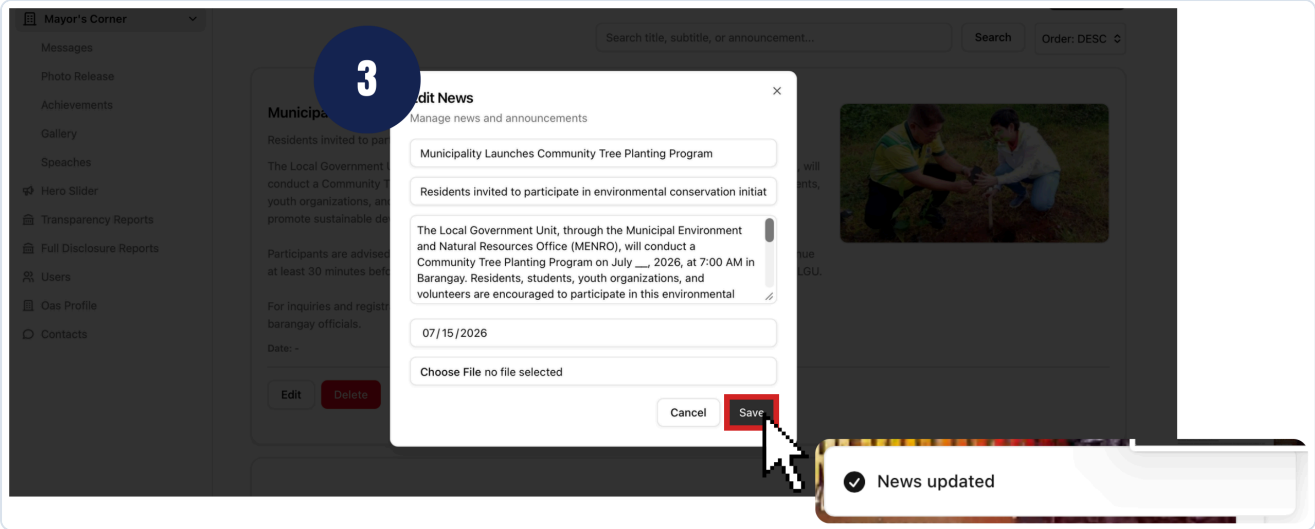
4.2 Pag-edit ng Content

Pindutin ang Edit button. Kung siguradong i-eedit ang content ng napiling post, pindutin ang Continue Edit.



Larawan 23. Pag-edit ng Content

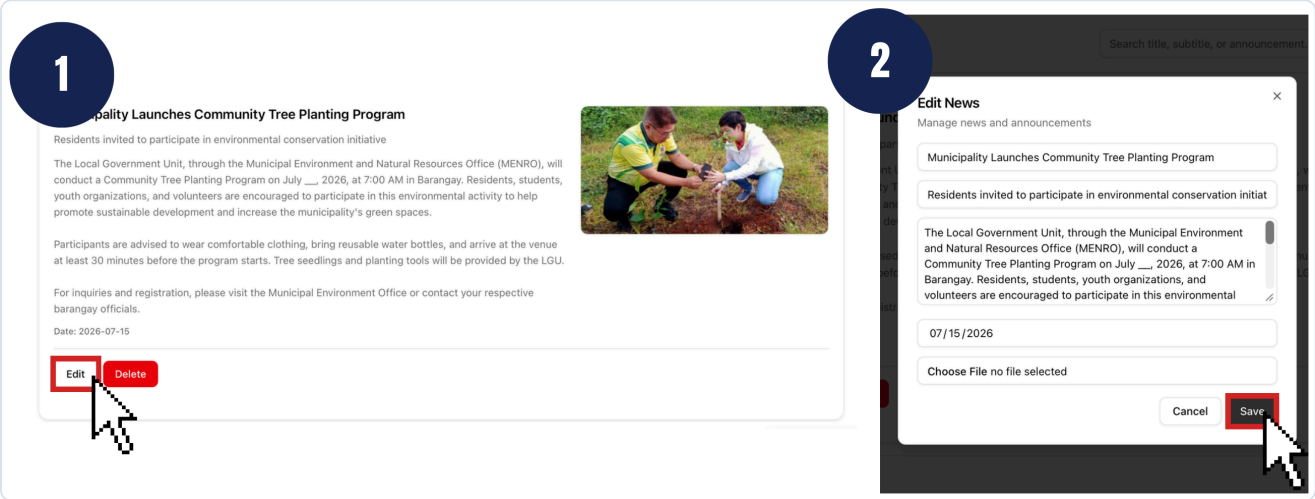
Maaari nang i-edit ang detalyeng nais baguhin. Pindutin ang Save pagkatapos. I-refresh ang website upang makita ang binagong content.



Larawan 24. Pag-edit ng Content

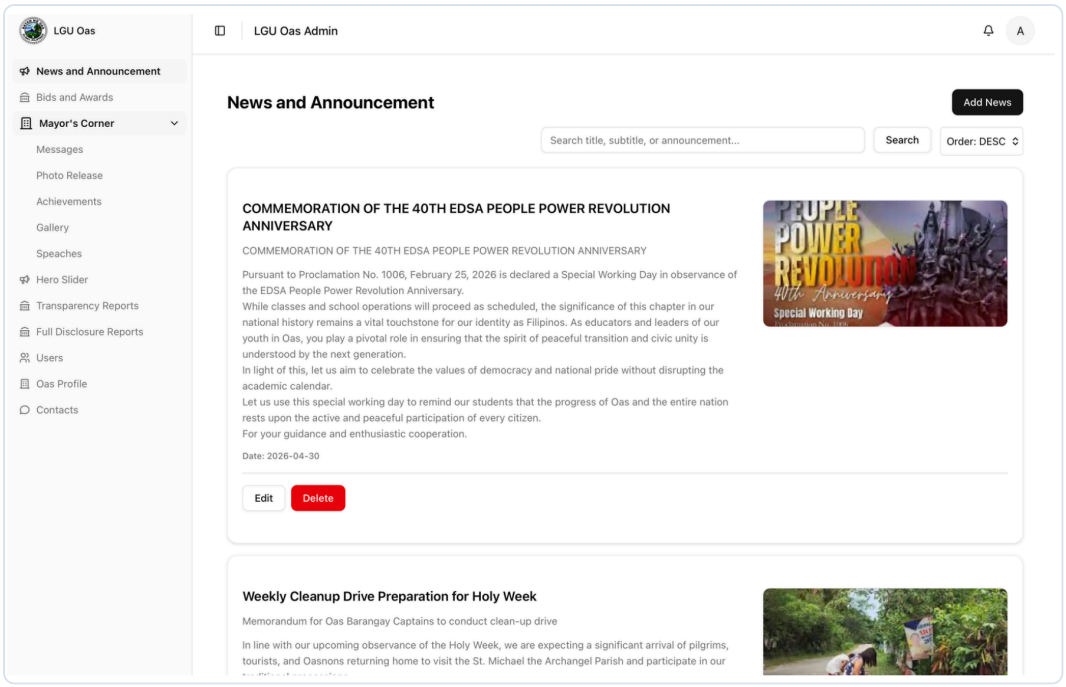
4.3 Pag-delete ng Content

Pindutin ang Delete button. Kung siguradong i-dedelete ang content ng napiling post, pindutin ang “Continue Delete.”



Larawan 25. Pag-delete ng Content

I-refresh ang website upang makita na burado na ang content.



Larawan 26. Pag-delete ng Content

Add, Edit, Delete

Ganito rin ang makikita at ang paggamit sa iba’t-ibang section ng website. Sa **Bids and Awards**, Mayor’s Corner, Hero Slider, Transparency Reports, at ang OAS Profile.

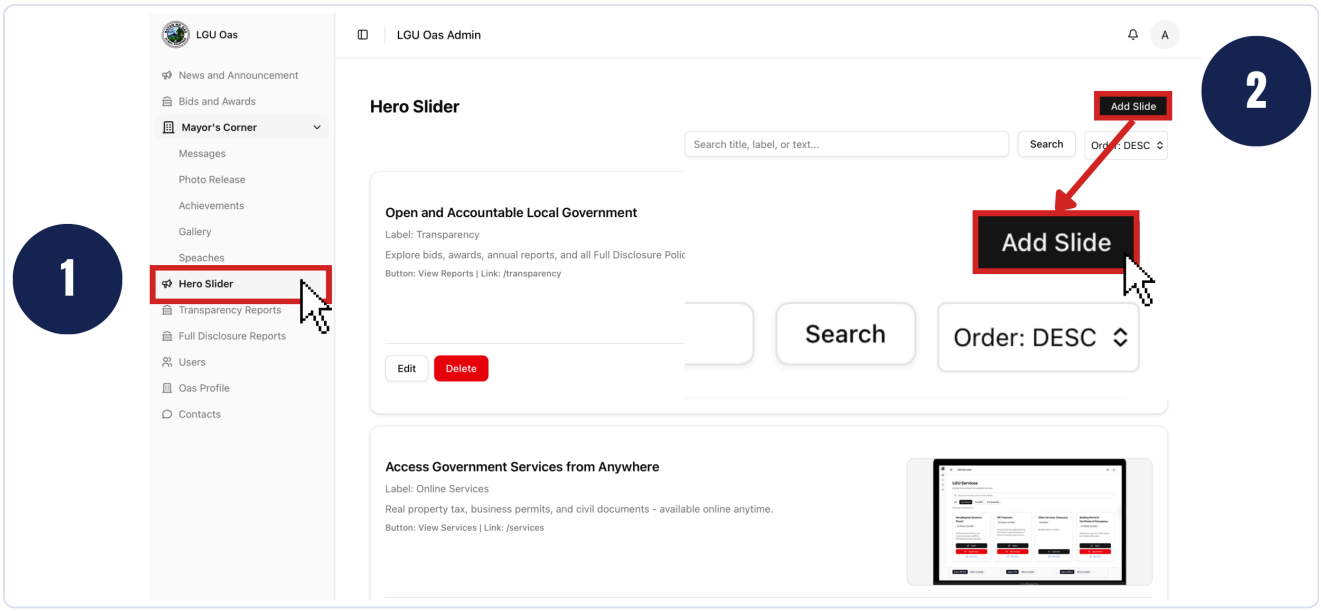
Larawan 31. ,OAS Profile

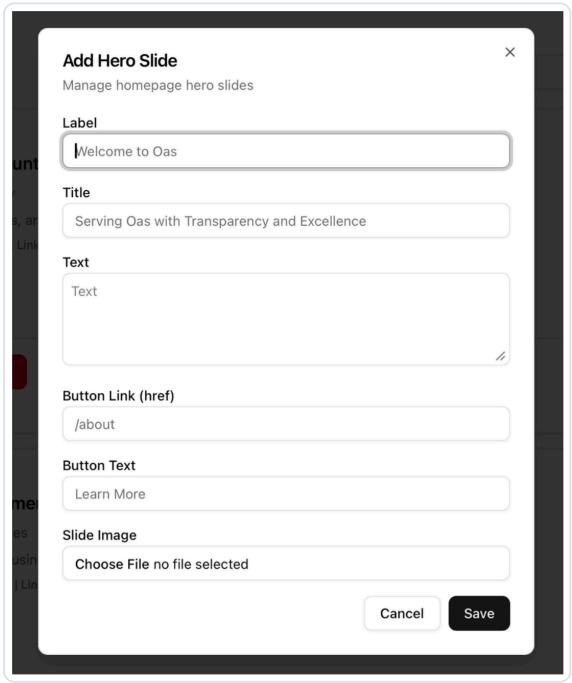
4.4 Hero Slider

Upang ma-access ang section na ito sa OAS-CMS, pindutin ang Hero Slider sa sidebar. Upang makapag-add ng content, pindutin ang Add Slide.



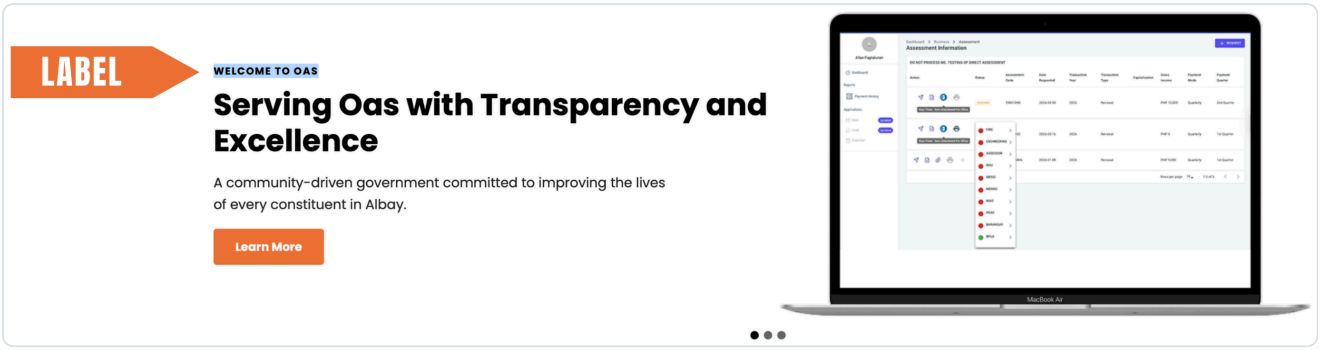
Larawan 32. Hero Slider

Mayroong anim na detalyeng dapat punan, ito ay ang **label, title, text, button link na \href, button text, at slide image.**



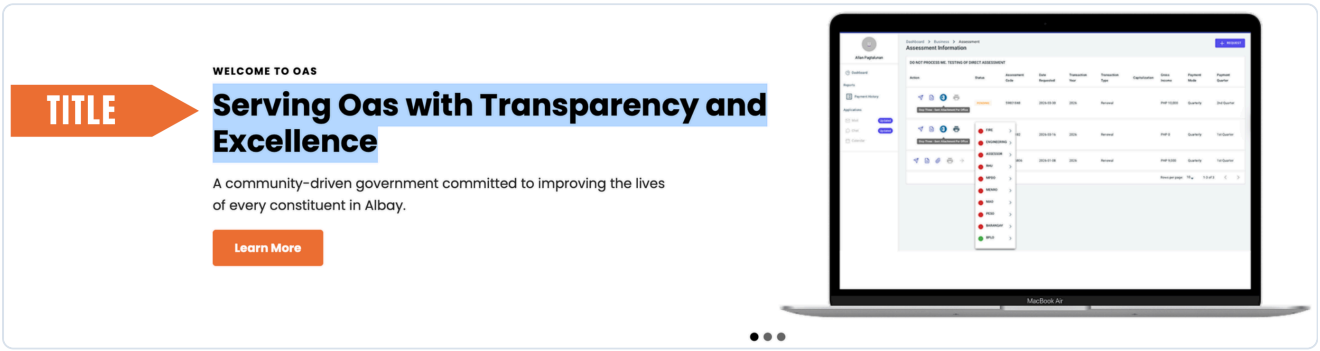
Larawan 33. Hero Slider

Ang **label** isang maikling text na nagsisilbing kategorya o panimula ng slide. Ito ay makikita sa itaas ng pamagat.

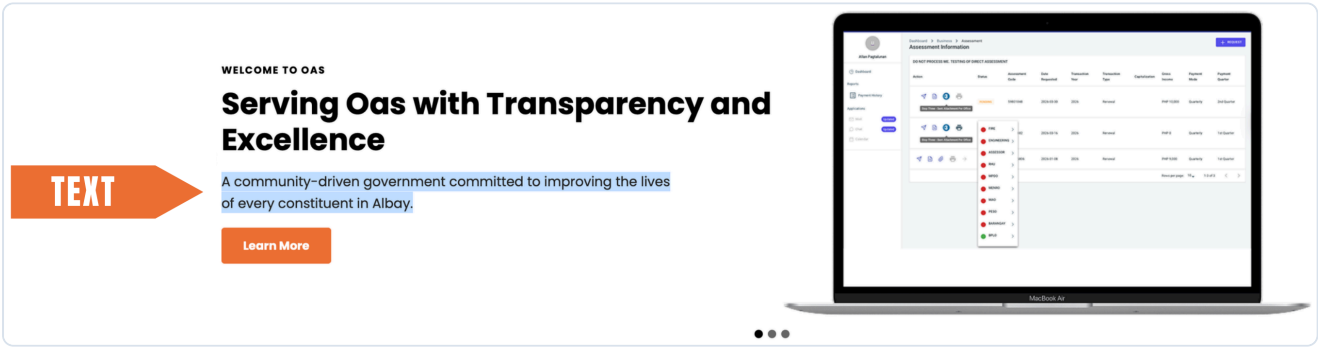


Larawan 34. Hero Slider

Ang **title**, ay ang headline ng slide. Ito ang pinakamalaking teksto at siyang unang napapansin.



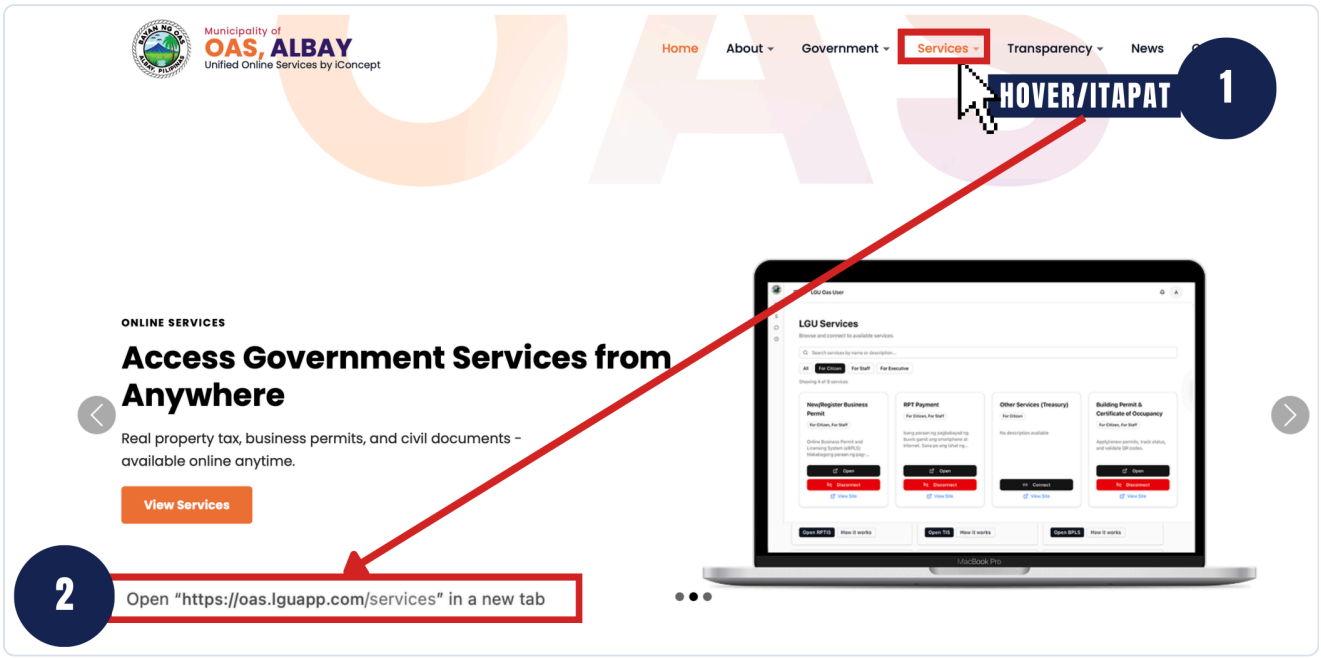
Larawan 35. Hero Slider



Larawan 36. Hero Slider

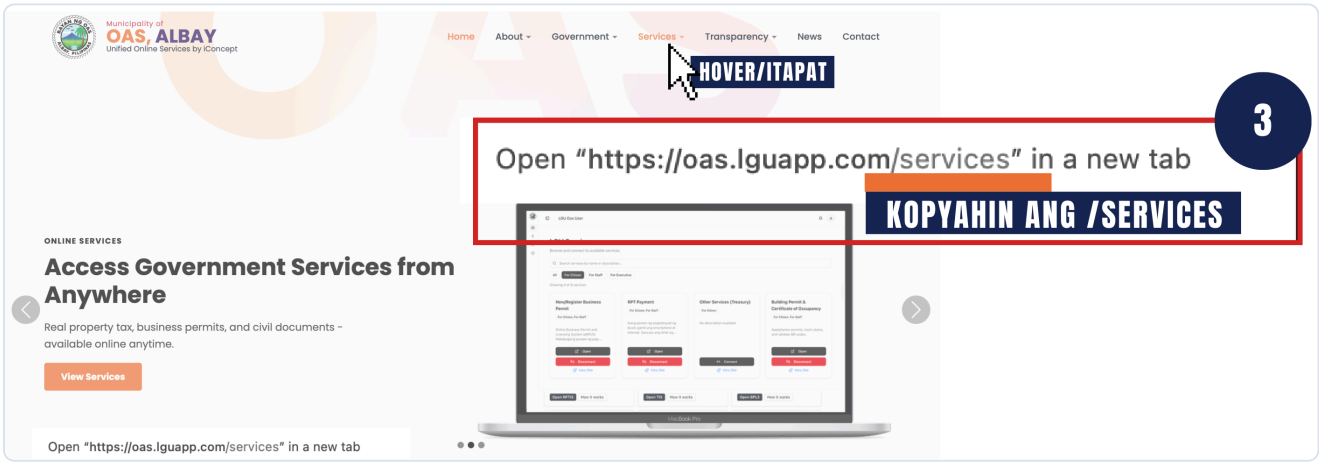
Ang **button link** na pupuntahan ng gumagamit kapag pinindot ang button. Maaari itong magturo sa ibang pahina ng website tulad ng /home,/about, /government, /services, /transparency, at /news. Ito ay nagsisimula sa isang forward slash (/).

I-hover ang mouse sa menu o bahagi ng website na nais mong ituro ng button. Makikita sa lower-left corner ng browser ang URL o address.



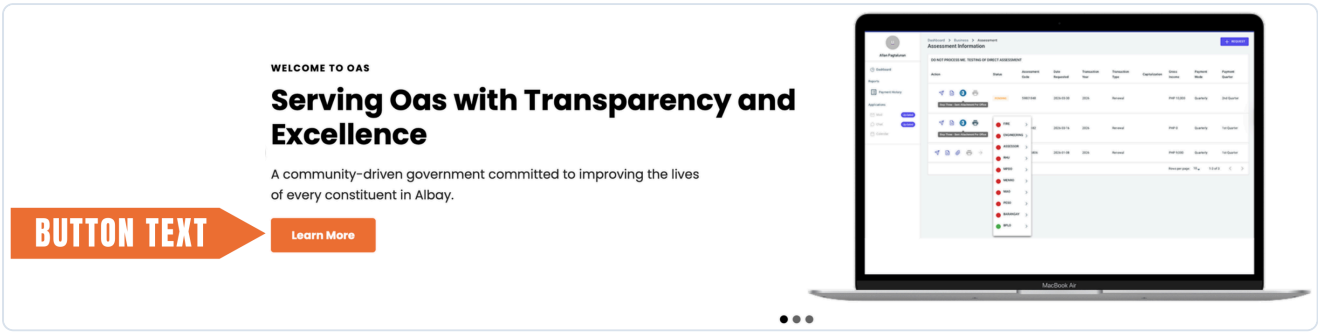
Larawan 37. Hero Slider

Kopyahin lamang ang bahagi ng URL na nagsisimula sa forward slash (/) at iyon ang ilagay sa Button Link (href).



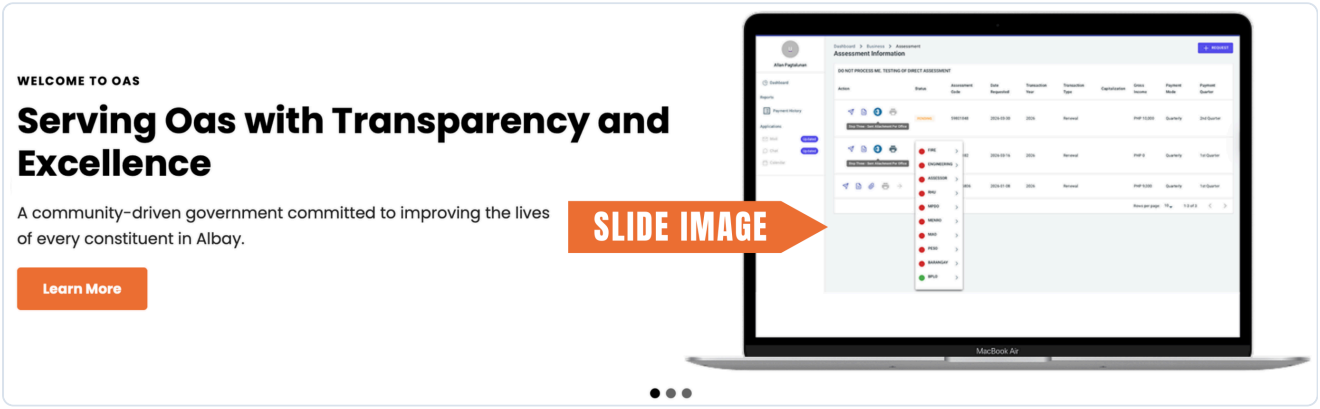
Larawan 38. Hero Slider

Ang **Button Text** ay ang text na nakalagay sa button. Halimbawa, sa slide na ito, ang button text ay “Learn More”



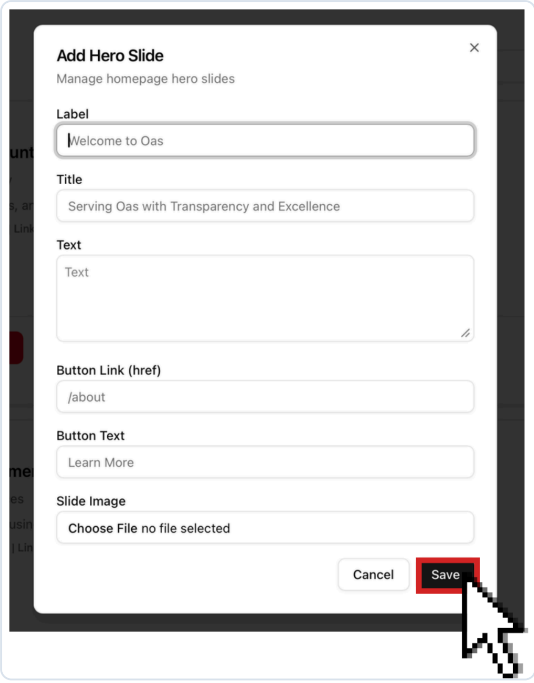
Larawan 39. Hero Slider

Ang **Slide Image** ay ang larawang ipapakita sa slider. Siguraduhing tama at malinaw ito.



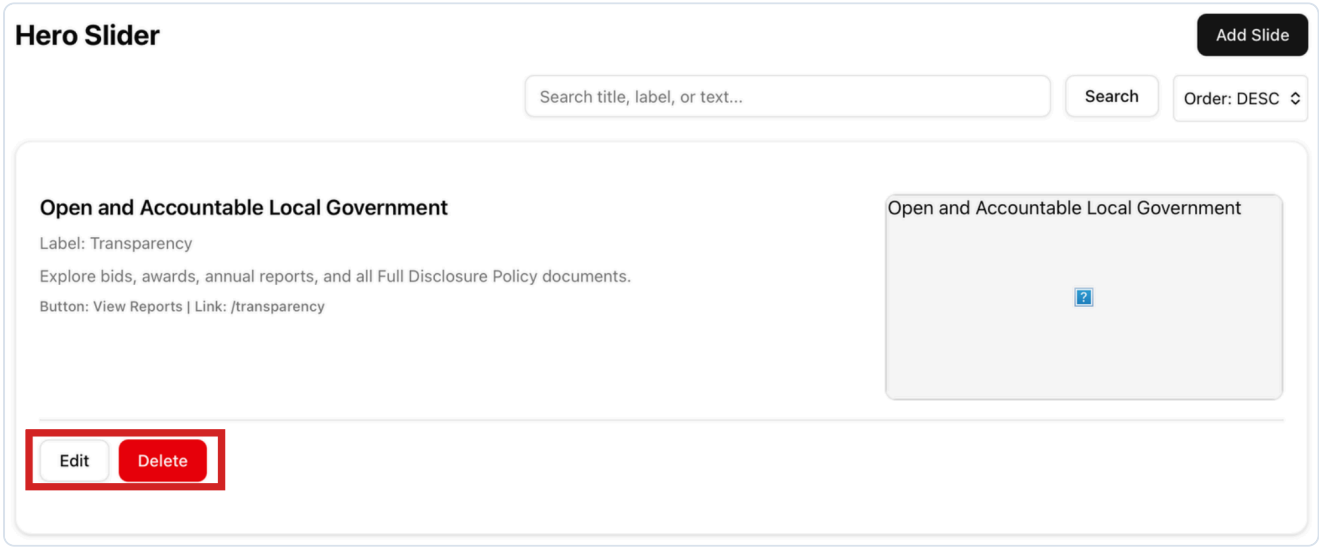
Larawan 40. Hero Slider

Pindutin ang **Save** button pagkatapos punan lahat ng detalyeng kinakailangan.



Larawan 41. Hero Slider

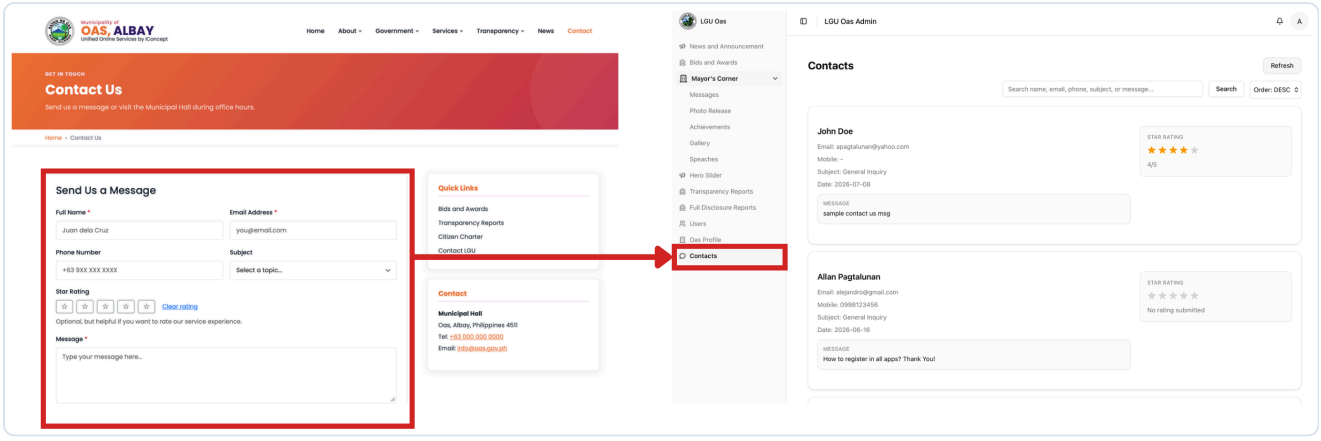
Pindutin ang **Edit** button kung kailangang baguhin ang laman ng slide. Pindutin ang **Delete** button kung kailangang burahin ang slide.



Larawan 42. Hero Slider

4.5 Contacts

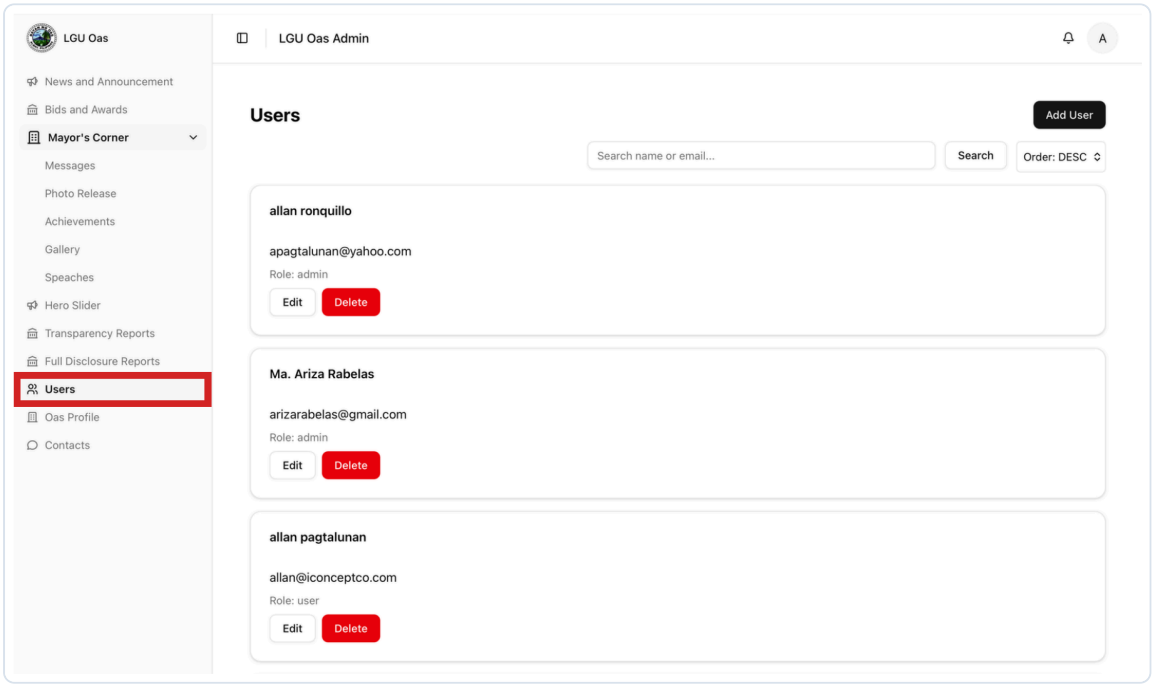
Ang section na Contacts naman ay naglalaman ng mga messages o inquiry na nagmula sa “Contact Us” sa website.



Larawan 43. Contacts

4.6 Users

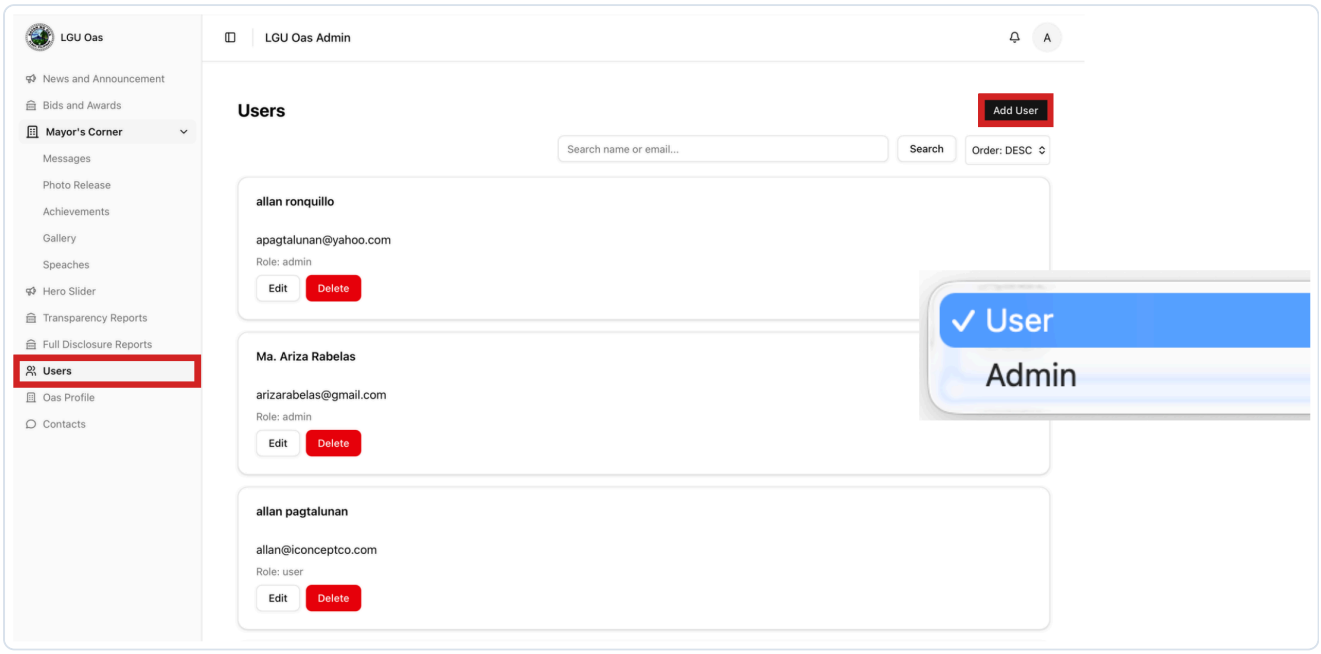
Ang **Users** sa sidebar ay para sa **pag-manage ng mga accounts na nakaka-access ng OAS-CMS.** Maaari rin mag-add, edit, at delete ng User.



Larawan 44. Users

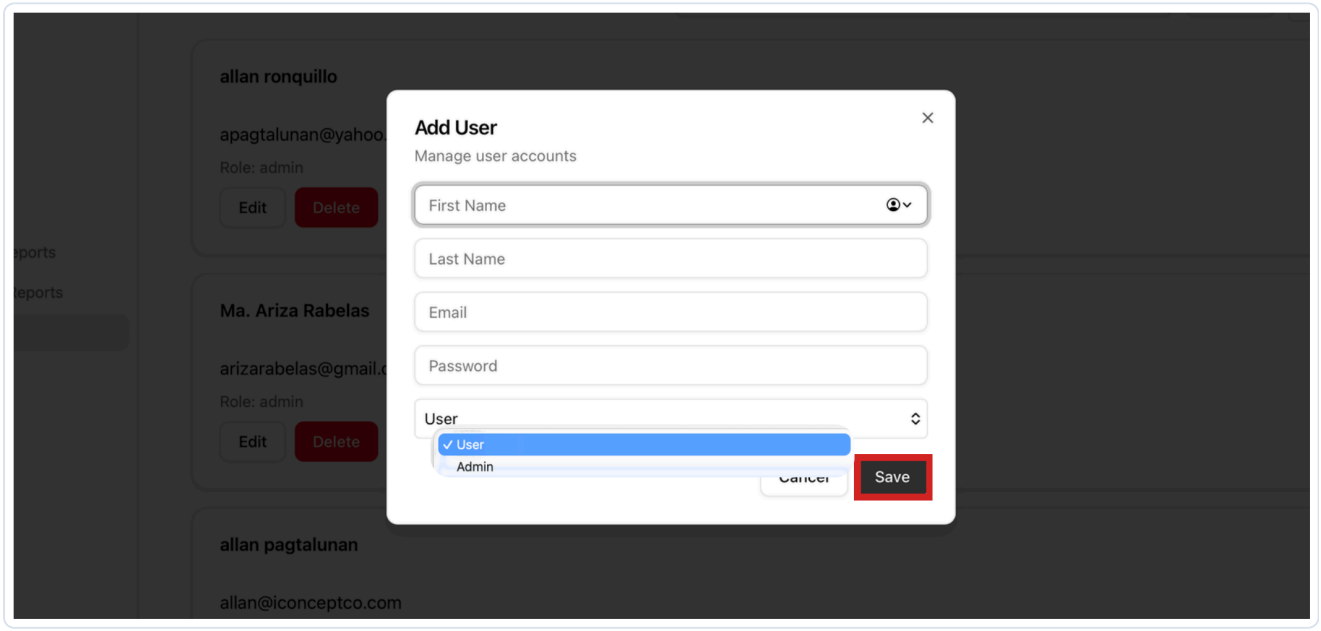
4.6 Users: Add User

Mayroong dalawang klase ng user, admin at user. Ang admin lamang ang makakapag-add ng user. Upang makapag-add ng user, pindutin ang **Add User** button.



Larawan 45. Users: Add User

Ilagay lamang ang mga detalye tulad ng First Name, Last Name, Email, Password, at User type.



Larawan 46. Users: Add User

At iyan ang mga pangunahing hakbang sa paggamit ng OAS Content Management System (OAS-CMS).

Sa pamamagitan ng OAS-CMS, mas madali nang mag-view, magdagdag, mag-edit, at mag-delete ng content sa website ng OAS.

Palaging tiyaking tama at napapanahon ang impormasyong ilalagay upang mapanatiling maaasahan at kapaki-pakinabang ang opisyal na website ng OAS para sa lahat ng mamamayan.
